

REACH SVHC DECLARATION

Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) Substance of Very High Concern (SVHC) Declaration

June 16, 2016

Dear Valued Customers,

Based on a diligent review of information provided by our laboratory personnel, Malvern Minerals Co. can report that our products do not contain above the 0.1% weight (w/w) threshold of any Substance of Very High Concern (SVHC) on the European Chemicals Agency (ECHA) candidate list provided on the following page.

Be assured that Malvern Minerals Co. will continue to monitor the REACH regulations for any new Substances of Very High Concern (SVHC) that may be included in subsequent ECHA candidate lists Malvern Minerals Co. will compare any newly listed SVHC with the raw materials in our finished product lines and communicate this information to our customers.

Respectfully,

Thurston Pennington
QC and Regulatory Compliance
Malvern Minerals Company
